

Notre Dame Sisters *Faith into Action*

Thank you for your overwhelming support of the Notre Dame Sisters on the Joy of Giving Day! We are so blessed to have such an amazing, supportive community.

We raised over \$5,000! The outpouring of generosity was amazing and these funds will help ensure our ministries continue to thrive.

Again, we appreciate your support, and look forward to providing updates on all the great things we'll be able to accomplish thanks to your generosity.
